The 2001 Grady-White 273 Chase is a well-regarded center console fishing boat known for its versatility, durability, and solid construction. Grady-White is a well-known brand in the boating world, especially for producing high-quality, offshore-capable boats.

Here are some key specifications and features for the 2001 Grady-White 273 Chase:

Key Specifications:

- Length Overall (LOA): 27 feet 3 inches
- Beam: 9 feet 4 inches
- Draft: Approximately 1 foot 9 inches
- Weight (dry): Around 5,000 pounds
- Fuel Capacity: 225 gallons
- Freshwater Capacity: 30 gallons
- Max Engine HP: 500 HP (twin engines, typically 250 HP per engine)
- Deadrise at Transom: 20 degrees (helps with handling in rough waters)

Features:

- Hull Construction: The 273 Chase is built with Grady-White's solid fiberglass construction and features a high-quality non-skid deck for safety.
- Center Console Design: Provides an open, spacious layout ideal for fishing, with room to move around.
- Seating: The 273 Chase is known for having plenty of seating, including a forward bench seat and leaning post, with space for additional seating options in the cockpit.
- Fishing Features: Includes rod holders, a live well, a large fish box, and ample storage for gear and tackle.
- Comfort & Amenities: Equipped with amenities like a small cabin with a head, making it more comfortable for longer trips.

Performance:

- The 273 Chase is typically powered by twin outboard motors, such as Yamaha or Mercury engines, offering strong performance and reliability. It's a capable offshore boat, with good handling and stability, especially in rough seas.

Purpose & Usage:

- Ideal for offshore fishing, family cruising, and day trips. Its deep-V hull provides a smooth ride in choppy waters, making it a popular choice for those who do a lot of fishing in open ocean conditions.

Would you like more information on the 273 Chase or specifics about its engine options or condition? Call / text John Kraft directly at 516*860*4950
