Below are just a few more reasons, other than the Top Ten Reasons, to be a part of the Plantation Boat Mart family!

We're proud to have achieved the National Marine Manufacturers Association's 5-Star Certified Dealership status. This classification puts us in an elite class of dealers across the nation that have passed all testing in the areas of Service, Sales, Employee and Customer Programs, and General Dealership Work Ethics.

Plantation Boat Mart offers exceptional service! What does exceptional service mean? It means that we only service our customers' boats. This ensures focused service for our valued customers and gives our master certified technicians the opportunity to know our customers' boats inside and out. The result? Peace-of-mind that your boat is in good hands and will be completed in a timely manner! And... completed right the first time.

Plantation Boat Mart's parts department continues to grow and is now one of the most complete parts departments in South Florida with over 40,000 square feet of under-roof service and a large parts inventory. In other words, when you need service or a part... we've got you covered!
