Manufacturer Provided Description

With the introduction of the 46' Catamaran in 2020, it raised the cat segment to a whole new level. Now we've upped the stakes again by unveiling the first-ever production pilothouse catamaran. Offering the same range, performance and 360-degree fishability of the center console 46' Catamaran, but equipped with the sleeping space and comfort of a comparably-sized sportfish. Introducing the 46' Pilothouse: the new pinnacle of innovation.
